ARMOUR EFCR-35N

ARMOUR ECONOMICAL FAST CONCRETE REPAIR (ARMOUR EFCR-35N)

"FAST TO FIX, MADE TO LAST"

☆ Flagship Product

TRAFFIC START IN 3 HOURS

FAST CURING (3 HOURS)

TEMPERATURE STABILITY (-80°C TO +300°C)

CHEMICAL & ABRASION RESISTANCE

CONCRETE COMPATIBILITY

For More Details

Introduction:

ARMOUR EFCR -35N delivers rapid and durable concrete restoration with 3-hour fast curing and exceptional temperature stability from –80°C to +300°C. Its high abrasion resistance ensures long-lasting performance under heavy industrial use, while superior concrete compatibility provides a strong, permanent bond. Designed for speed and reliability, ARMOUR EFCR -35N is the ideal solution for modern industrial repair needs.

Application :

- Cold Storages
- Port Repair
- Road Repair
- Shop Floor Repair
- Warehouse
- RTG Track Repair

ZERO PERMEABILITY

15Min
15 MIN TOUCH DRY

NO PRIMER REQUIRED

UNIVERSAL ADHESION TO METALS & NON METAL

Introduction:

Our advanced single-component, self-priming coating is engineered for fast application with a 15-minute touch dry time. It delivers strong acid, alkali, UV, and water resistance, ensuring long-lasting protection in demanding environments. With excellent adhesion to metal and non- metal surfaces (except rubber) and 60 sq.ft/kg coverage, it offers both durability and efficiency for modern industrial needs.

Application :

Pickling, ARP (Acid Recycling Plant), Lattice Tower, Galvanized wire, Paper, ETP, STP, Chemical, Petrochemical, SMS, Galvanizing.

Simple System Vs Complex System

ZGSPL - CRAC	2K EPOXY/PU System
• Single Component System	• Two Component need to mix
• Self Primer	• Primer Coat Required
• 15 Minutes Touch Dry	• Base & Top Coat: 8-12 Hours each
• Resistant to UV rays	• For UV Resistant: Separate PU Coat required
• Direct Application	• Primer + Base coat + Top coat
• DFT - 250 Micron's	• DFT - 350 Micron's

PERFORMANCE CERTIFICATION

Date: 15-10-2026

This is to certify that MELIKA® Instant Concrete Repair Products, supplied by ZARA GLOBE SOLUTIONS PVT. LTD., namely:

- CRP – Concrete Reinforcement Putty (Patented)
- EFCR – Economical Fast Concrete Repair

have been used at IGTPL Vallarpadam (DP World, Cochin) for the past Two years and have demonstrated excellent and satisfactory performance in actual field applications.

The products have delivered reliable performance in concrete repair and maintenance applications, meeting our expectations in terms of quality, effectiveness, and suitability for the intended purpose.

This certificate is issued upon request for the reference by ZARA GLOBE SOLUTIONS PVT.LTD

To,
Mr. Aslam Logade
Director,
M/s Zara P Care
43, Arkose Industrial Estate
Khopoli – 410203
Maharashtra

Dear Mr. Aslam Logade,
M/s Zara P Care

We would like to express our sincere gratitude and appreciation for the excellent Fast Concrete Repair (FCR) product that you have supplied to us. Its unique feature of a 3-hour setting time has far exceeded our expectations.

For the past two years, we have been using this fast-curing concrete repair product without any complaints whatsoever. Our company highly values your innovative products, which are consistently developed with the customer's needs in mind, addressing field challenges, including safety concerns. The issue of uneven RTG tracks poses a significant threat to the safety of both operating personnel and machinery, and your product has been instrumental in mitigating this risk within a minimal timeline.

It is our honest assessment that your product has saved us considerable time in handling containers, thereby preventing additional delays. You have repeatedly proven your commitment to maintaining product quality, providing timely service, and ensuring responsive customer support.

On behalf of PSA Mumbai-BMCT, we extend our best wishes for all your future endeavors. Thank you once again.

Dharmesh Chauhan
Head of Engineering.

PERFORMANCE CERTIFICATE

This is to certify that we have been consuming your product **CHEMICAL RESISTANT ANTI-CORROSION PAINT – ARMOUR 2K** at our **Taloja and Khopoli** plants.

We have been using **ARMOUR 2K** for **more than four (4) years, since 2021,** and have coated our **entire plant structure** with this product — including the **support structure, roof sheets, chequered plate, reactor tanks, pumps, condenser and other associated process equipment.**

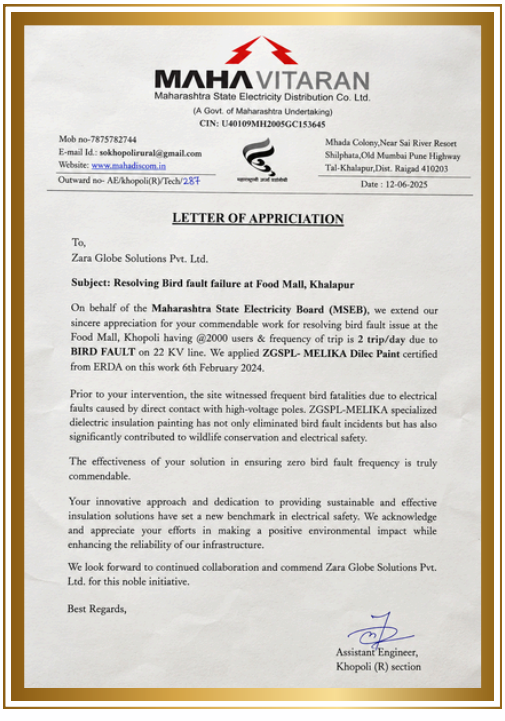

All of these are now well protected against the corrosive and harmful attack of **HCl (Hydrochloric Acid)** fumes and other aggressive chemical environments present at our plants. Throughout this entire period, the coating has consistently delivered excellent adhesion, outstanding chemical resistance and long-term durability, with **no significant signs of corrosion or coating failure.**

We found the performance of the product to be **more than satisfactory,** and we have great pleasure in recommending **ARMOUR 2K** for similar chemical-resistant and anti-corrosion applications.

Thanks & Regards,

LETTER OF APPRICIATION

To,
Zara Globe Solutions Pvt. Ltd.

Subject: Resolving Bird fault failure at Food Mall, Khalapur

On behalf of the **Maharashtra State Electricity Board (MSEB),** we extend our sincere appreciation for your commendable work for resolving bird fault issue at the Food Mall, Khopoli having @2000 users & frequency of trip is **2 trip/day** due to **BIRD FAULT** on 22 KV line. We applied **ZGSPL- MELIKA Dilec Paint** certified from ERDA on this work 6th February 2024.

Prior to your intervention, the site witnessed frequent bird fatalities due to electrical faults caused by direct contact with high-voltage poles. ZGSPL-MELIKA specialized dielectric insulation painting has not only eliminated bird fault incidents but has also significantly contributed to wildlife conservation and electrical safety.

The effectiveness of your solution in ensuring zero bird fault frequency is truly commendable.

Your innovative approach and dedication to providing sustainable and effective insulation solutions have set a new benchmark in electrical safety. We acknowledge and appreciate your efforts in making a positive environmental impact while enhancing the reliability of our infrastructure.

We look forward to continued collaboration and commend Zara Globe Solutions Pvt. Ltd. for this noble initiative.

Best Regards,

Assistant Engineer,
